THE MODERN OLYMPIC GAMES

PARIS, 2nd OLYMPIC GAMES, 1900

The 1900 Paris Olympic Games were held in conjunction with the World’s Exposition. They played only a minor role. There were athletes who didn’t know that the events they participated in were Olympic Games events. Few items relate directly to the Games. For this reason we are also offering items commemorating the World Exposition.

ST. LOUIS, 3rd OLYMPIC GAMES, 1904

The 1904 Olympic Games in St. Louis were also held in conjunction with a World’s Fair. This, again, detracted a lot from the importance of the Games. Few items are available that relate directly to the Olympiad, and they usually command very high prices. For this reason we are also offering some memorabilia from the World’s Fair which celebrated the Centennial of the Louisiana Purchase from Napoleon in 1803.
